Honourable Assistant Commissioner of Patents

Dear Sir:

This letter is believed to be a fully responsive and timely response to the Official Action mailed April 28, 2003. Please amend the application as follows:

In the Specification:

Please amend the claims as set out in the attached sheets.

In the Drawings:

A copy of Figures 4A and 4B is enclosed. The Applicant's record shows that all 13 drawings sheets (i.e. including Figs. 4A and 4B) were filed April 22, 2002, however perhaps this drawing sheet was misplaced after filing.

Also enclosed is amended Fig. 9, which has been amended to correct the reference numerals "26a" and "26b" which were obviously inadvertently reversed in the original figure.

In The Claims:

Please amend claim 1 as set out in the attached sheets.
